Mission Statement

The Provider Advisory Committee exists to serve as a bridge between behavioral health providers, the behavioral health service system and Magellan Behavioral Health of Nebraska, Inc. to ensure ongoing collaboration and excellence in behavioral health care. The committee will provide feedback, make recommendations and suggest new ideas to Magellan regarding key clinical and service decision areas.

Agenda Item	Discussion	Responsible Party	Follow-up Date
1. Review Mission Statement	<p><i>Co-chair, Mark S. read the Mission Statement to begin meeting. Mark S. led a discussion regarding strengths of the Provider Advisor Committee and areas that the Provider Advisor Committee can improve on, including increasing opportunities to seek provider feedback from the provider committee at large and increase provider engagement in the community.</i></p> <p><i>Teresa D. asked committee members to consider what Magellan can do to make the PAC more meaningful and how Magellan can better support external PAC members.</i></p>	All Members	N/A
2. Approval of Previous Meeting Minutes	<i>April 9, 2015 PAC meeting minutes approved as submitted; no revisions.</i>	All Members	N/A
